

ALEXANDRIA GAZETTE.

FRIDAY EVENING, MARCH 2.

HEAVEN'S ALCHEMY.—The thought has perplexed more than one mind, how it can ever be that Heaven will be a scene of perfect blessedness to those who, though now regenerate, have been faulty in living, and wrong of heart, and bad in act, in this world, and who can never lose the memory of the fact of their sin. The suggestion of one method is made by our recent experiences. A month ago we were suffering severely from the cold. Now, as the sunny, serene days pass, through which the forces of spring are stealing softly into power over us, we are already losing sight of those woe-filled days, and putting their endurance far off, if not out of mind. Absorption in the delightful present enables us to forget, measurably, all past sorrow, in the joy of a nature transformed, to which the old bitterness can never return. It is the ever-anticipated return of evil that embitters our existence beyond all medication, and it is the ever-anticipated return of bliss only that sweetens existence, and leaves every alloy finally to eat itself away.—*The Pacific, San Francisco (Congregational).*

A lad of Gilroy Valley, Cal., was bitten four times by a large tarantula the other day and was saved from death, it is thought, by his father, who hurriedly killed a young turkey and ripping it open laid it upon the boy's wounds. When removed the fowl was found to be hard and discolored from the absorbed poison.

THE GOLD MINING COMPANY.

LOCATION—MUSIC MOUNTAINS, MOHAVE COUNTY, ARIZONA.

NUMBER OF SHARES, 625,000, OF \$1 EACH. FULL PAID AND NON-ASSESSABLE.

The capital stock of this company is \$625,000, divided into 625,000 shares of \$1 each.

The company is incorporated under the laws of West Virginia, and the stock is non-assessable, and carries with it no personal liability to the holder.

THE GOLD MINING COMPANY (location, Music Mountains, A. T.) is as sound a mining enterprise as was ever placed on the market, and its possibilities have never been exceeded. Every share should double in value within a year, and they may quadruple, as they are based on property that would ordinarily have been capitalized ten (10) times as great on account of its known richness and promise.

The shares are made small so that any one can invest. Subscriptions for five shares are as welcome as those for hundreds.

Every dollar of earnings will go to the stockholders in dividends, as there is nothing else that they can be used for.

A Wisewell mill, capacity 20 tons per day, with powerful machinery, has been purchased and will be on the ground ready for erection at the mine within the next thirty days.

The solid basis upon which the company is founded and the practical proofs of the richness of the mine have already secured the confidence of the public, and the stock has steadily advanced in selling value. Within the last few days bona fide sales have been made AT PAR.

There is no better stock on the market for a permanent investment. For full information in regard to this Mine apply to the
